2.1 Definitions

„Corresponding Whitepaper“ means the whitepaper which corresponds to this disclaimer. While this disclaimer may not refer to the aforementioned whitepaper by name or title, the whitepaper in question will refer and provide a link to this disclaimer. This disclaimer uses the term Corresponding Whitepaper to acknowledge, reciprocate and return reference to whitepapers which choose to reference this disclaimer. This term may also be seen next to the term ,website(s)‘ to return acknowledgement to website(s) which refer and provide a link to this disclaimer. Otherwise the term *website* may be used in conjunction with the term ,Corresponding Whitepaper‘ e.g. ,Corresponding Whitepaper and/or Website‘, in order to reflect a publication of the aforementioned whitepaper in HTML format as opposed to, or in addition to, a document format such as PDF.

“Ecosystem“ refers to the solution being presented within the ,Corresponding Whitepaper‘, which may be a cryptocurrency token, an NFT, a website/service or other technologies of sorts.

„Company“ means the legally incorporated company or organisation under, and within which, ,The Ecosystem‘ will be developed, incubated and/or operated. Unless otherwise stated, The Company does not refer to the DATRO Consortium, nor does it imply, unless otherwise stated, that ,The Company‘ is a subsidiary or affiliate, partner or client of the DATRO Consortium.

„Team“ means the individual(s), group(s) which pioneer, develop and/or maintain (and/or currently pioneer and/or maintain) the Ecosystem described in The Corresponding Whitepaper.

„Advocate“ means a reader of the Corresponding Whitepaper which takes helpful action to fruition the aforementioned Ecosystem e.g. contribute resources, develop, purchase products/services, share on social media etc. Simply understanding and agreeing with the Corresponding Whitepaper and its Ecosystem and taking no immediate action, may also constitute the reader being deemed an advocate of the Corresponding Whitepaper/website, Team and Ecosystem.

The Advocate may pledge to participate in The Ecosystem and/or obtain the services thereon.
