Quotation: Following our recent telephone conversation I write to inform you that Cotswold Archaeological Trust is conducting an excavation at the above site of a Roman and early medieval cemetery.

Proves: A copy held on the wiki appears, from its first two pages, to be a Cotswold Archaeological Trust letter to National Museum of Wales on Llandough cemetery, with title transfer.

Does not prove: Only the first two pages were examined; Full contents, completeness and provenance remain unchecked until the document is read in full.

File stored in the wayback archive: EV-0134 in the artifact index.
