Proves: The plan shows the mapped extent currently associated with title WA231076 as at the date of the copy (stated as September 2026).

Does not prove: Does not show every historical registration was correct, that a court decided ownership of any depicted part, or that the plan matches an earlier deed's parcel. Does not settle the claimed Parcel A/Parcel B distinction. No transcription made; Copy date, proprietor and entries unconfirmed.
