Page ID: 3122 · **Title:** Persimmon — Forensic Assessment · **Evidence status:** Not yet labelled — see the Editing Protocol · **Version:** 1.0.0 · Editing Protocol

Assessed 14 October 2026. Scope: documented appearance and the family's preservation letter. The wiki's current text does not state Persimmon's role in the development; that must be taken from the planning, transfer and register records. Inclusion is not a finding of fault.

2.1 Documented appearances

Date	Appearance	Source
September–October 2026	The name appears in the Forest of Cardiff review, the Welsh Government and Cadw catalogue (Part 3), the Source Conflicts Register, the legal review and the Land Registry Titles page.	Forest of Cardiff review; Source Conflicts Register
September 2026	A separate letter to Persimmon is already on the wiki; it is not duplicated here.	Wiki letter (page to be linked)

2.2 Current finding

As at 14 October 2026, nothing reviewed establishes wrongdoing by Persimmon. Homeowners at Church View Close are innocent purchasers in possession on the plan's own assessment, and individual residents are not named (UK GDPR).

2.3 Next step

Establish from HM Land Registry and planning records which Persimmon entity, if any, held or developed which land, and on what dates; link the existing letter and record any reply. **Acceptance:** the entity and its role are stated from a register or transfer entry, with the letter linked.
