# 2 Record

**This material now lives at** https://fcg.bucklerfamily.estate/case/south-western-brick-and-tile-forensic-institutional-review**.**

**Page ID:** 3115 · **Title:** South Western Brick & Tile Company — Forensic Assessment · **Evidence status:** Not yet labelled — see the Editing Protocol · **Version:** 1.0.0 · Editing Protocol

**Assessed 14 October 2026.** Scope: documented appearance in one 1961 deed. The company is historic. Inclusion is not a finding of fault.

## 2.1 Documented appearances

| Date | Appearance | Source |
|---|---|---|
| 29 March 1961 | Party to a deed with Western Ground Rents Ltd and Cardiff City (on the WA231076 first-registration schedule). | GHF-E129 |
| 1 Dec 1972; 30 Apr 1974 | "South Western Brick and Tile Company Limited" named in Companies Registry lists under s.353 Companies Act 1948 (probably a strike-off warning, then struck off and dissolved; the two-column layout leaves the heading uncertain). Whether it is the same company as the 1961 deed party is unconfirmed. | London Gazette, 1 Dec 1972, p.14299; 30 Apr 1974, p.5330 (read by Tab's research, flywheel cycle 13, 19 Oct 2026) |

## 2.2 Current finding

**As at 14 October 2026, the material reviewed does not establish wrongdoing by the company.** The catalogue records the deed; its operative terms and plan have not been read for this review, so what land it concerned and how it relates to the farm parcels is not established here.

## 2.3 Next step

Obtain the deed through HM Land Registry (Form OC2) and read its plan against the two-parcel map. Check Companies House and the limeworks material for the company's operations. **Acceptance:** the deed's land and purpose are stated and sourced.

## 2.5 Related analysis and change record / guest book — 18 October 2026

Added the 1961 deed as a priority record for the institutional chronology. The company's appearance in a deed establishes a role only to the extent the authenticated instrument shows; it does not itself establish wrongdoing. See the Three-part Parcel A: chronology, order scope and later title transfers assessment for the cross-parcel chronology, competing explanations and prioritized document list.

**Change record:** Added this cross-reference and a dated guest-book entry to connect this page to the new three-part Parcel A analysis. This is an editorial synthesis of existing leads, not a newly discovered primary record or a finding of fraud.

**Cross-reference — Cedwyn Estate working theory:** The 29 March 1961 deed is a potentially relevant lead for the Cedwyn Estate / woodland hypothesis. Until the complete deed and plan are inspected, it is evidence of a catalogued transaction, not proof that Parcel A land was unlawfully conveyed, that Mary's title was known to the parties, or that the 1949 and 1961 events were coordinated. See the Cedwyn Estate Working Theory.
