2 Record

This material now lives at https://fcg.bucklerfamily.estate/case/concealment-missing-records-disclosure**.**

Page ID: 775 · **Title:** Concealment, Missing Records & Disclosure · **Evidence status:** Not yet labelled — see the Editing Protocol · **Version:** 0.1.1 · Editing Protocol

This page links suspected concealment questions to the actual records-access trail. Missing material is evidence of a gap; it is not, by itself, proof of deliberate concealment. [?]

2.1 Record categories to track

- HM Land Registry historic title and application files;
- conveyances, plans and abstracts referred to in the title chronology;
- court and judicial administration records for BP Properties Ltd v Buckler;
- planning and heritage files;
- archival searches, FOI/EIR requests, internal reviews and responses.

2.2 What the Wiki should record

Requested	Exact record sought and date requested.
Found	Record actually supplied, with catalogue reference.
Missing [?]	Record identified by another source but not produced.
Destroyed / disposed	Who says so, when, and on what documented basis.
Challenge	Any defective-search, review or disclosure correspondence.

Use the Missing Records Register as the live inventory and the Records Access Chronology as the dated disclosure trail. [?]
