Proves: A copy of a DCMS response to FOI request FOI2026/06174, dated 22 July 2026, is held; No content of the response is recorded.

Does not prove: No transcription exists, so this does not establish the request's subject, searches made, any referral, or negative result; A response alone does not prove DCMS had a historic operative role.

File stored in the wayback archive: EV-0160 in the artifact index.
