Page ID: 3106 · **Title:** Post Office Limited — Forensic Assessment · **Evidence status:** Not yet labelled — see the Editing Protocol · **Version:** 1.0.0 · Editing Protocol

Assessed 14 October 2026. Scope: modern records-access involvement on a family-history lead. Post Office Limited has no recorded role in the land dispute. Inclusion is not a finding of fault.

2.1 Documented appearances

Date	Appearance	Source
24 July 2026	FOI2026/00751: asked for records of Mr Williams of the Cardiff Post Office Engineering Department and his part in Marconi's 1897 experiments at Lavernock Point. Post Office Limited says it does not hold the information.	Reply register R41; attachment GHF-E106-R41-A1

2.2 Current finding

As at 14 October 2026, the material reviewed does not establish wrongdoing. The response is a nil return for this one request. It does not show that no such records exist elsewhere; the wiki's separate route is Royal Mail Group and the Postal Museum and Archive (see the Royal Mail Group review).

2.3 Next step

Follow the Postal Museum and Archive route and cross-check the press lead at GHF-E090-N02. **Acceptance:** a catalogue reference is obtained or a dated negative search result is logged.
