Page ID: 3112 · **Title:** Wales & West Housing Association — Forensic Assessment · **Evidence status:** Not yet labelled — see the Editing Protocol · **Version:** 1.0.0 · Editing Protocol

Assessed 14 October 2026. Scope: historic correspondence only. The association appears in the record through one catalogued item. Inclusion is not a finding of fault.

2.1 Documented appearances

Date	Appearance	Source
April 1980	Correspondence between GGAT and Wales & West Housing Association about Llandough Roman-villa finds.	GHF-E167
17 April 1980	Neath Guardian reports Roman villa and medieval house remains at Llandough (press context).	GHF-E171 (Neath Guardian)

2.2 Current finding

As at 14 October 2026, the material reviewed does not establish wrongdoing by the association. Whether the finds relate to Great House Farm land, and what the association's role in the 1980 site work was, are not established from the catalogue entry alone.

2.3 Next step

Transcribe the letters, identify the site and the parties' roles, and check whether the association's records or successor hold the file. **Acceptance:** the letters are transcribed and the site location is fixed, or a dated negative search result is logged.
