2.1 Forensic capture objective

Identify the documents actually lodged by the first-registration applicant as title evidence and compare them with the later 1969 root recital and 1971 abstract.

2.2 Required capture

- Complete copy and transcription where lawful.
- All documents named, dates, parties, acreage and plan references.
- Provenance, custody, and who supplied the record.
- What it proves, what it cannot prove, contradictions and alternative readings.

A missing or contradictory record is not itself proof of fraud or concealment.
